“Mister/Madam District President – You have been elected to the highest office in this District Auxiliary and many responsibilities will rest on you, but the fact that you have been elected by the members of the District Auxiliary indicates they have confidence in your ability and integrity, and they feel assured you will strictly and impartially discharge all of the duties incumbent upon you. Use your authority firmly, but with discretion, and remember the District President is expected to set a good example. The success of this District Auxiliary for the coming year depends in great measure upon your wise conduct of its affairs.

Some of the duties of your office are: to have general supervision over the Officers of this District Auxiliary with a view to the faithful performance of their duties, to exact obedience to the Bylaws of the National Auxiliary, to pay due respect to the National and Department Officers or their representatives, to be firm in the discharge of your duties, but strive to promote harmony in the meetings and advance the interests of our organization by being kind and courteous to all our members.” ~ *Podium Edition Bylaws and Ritual 2023*
